July 1 Monday 8:00 am Orientation to the UP College of Medicine and UP Manila as the health sciences campus of UP
Courtesy call to Dean Agnes Mejia of the UP College of Medicine
Tour of Philippine General Hospital

1:00 pm Meeting in WHO Western Pacific Regional Office with the Finn doctor assigned in WHO WPRO

July 2 Tuesday 8:00 am Visit the Fabella Health Center and neighboring barangays (villages) in Manila
2:00 pm Visit the St. Luke's Medical Center in Bonifacio Global City, Taguig. This is the newest and most expensive private hospital . This will give them a contrast of the public and private health care delivery in the country.

July 3 Wednesday 8:00 am Leave for Cavite province where our rural community health program is now. Stay for three days and two nights with foster parents, together with our medical interns and faculty assigned to the rural area. This will give them a glimpse of the rural health situation and what programs are being done in the municipal health units.

July 5 Friday 3:00 pm return to Manila via Tagaytay City to have a view of Taal Volcano and Taal Lake.

July 6-7 Saturday-Sunday Free time. They can go where they want to go for touristic purpose.

July 8- 11 Monday-Thursday. I will go with them to the island municipality of Quezon, Quezon, where one of our graduates is working as a municipal health officer. This is Dr. Paolo Medina who was in the Finnish GHC in 2011. They will have a glimpse of how a far flung island municipality is able to cope with providing health services despite the lack of facilities and resources. We will go back to Manila in the afternoon of Thursday. They can go to the beach while there.

July 12 Friday am Evaluation of the 2 weeks in the Philippines
evening Dinner with the GHC faculty and the 4 doctors who have just returned from the Finnish GHC (their classmates in Tampere)
